CVS Pharmacy #4677	Retail Store/Pharmacy	**3617 Hilton Avenue Columbus, GA 31901**	(706)3240169	https://www.cvs.com/minuteclinic/covid-19-testing		All tests must be scheduled.	Anyone age 18 or older can get tested. Patients should not have any out-of-pocket costs, but you should check with your health plan to confirm before scheduling a test. You can choose to pay for your test with a debit/credit/FSA/HSA card for send-out lab tests only. Self-pay is not available for rapid-result testing at this time. No screening required. The cost is $139, which includes $100 for the independent laboratory that processes your test and $39 for your MinuteClinic visit. Every individual who wants a test must make an appointment at MinuteClinic.com.	MinuteClinic performs a PCR test, which tests for active infections only. We do not administer antibody tests, which indicate whether the patient has been infected in the past.
