CVS Pharmacy #5673	Retail Store/Pharmacy	501 Spaulding Rd. Montezuma, GA 31063	478.472.7533	https://www.cvs.com/store-locator/details-directions/5673		All tests must be scheduled. Patient must legally reside in the state where the test is given.	Anyone age 18 or older can get tested. Patients should not have any out-of-pocket costs, but you should check with your health plan to confirm before scheduling a test. You can choose to pay for your test with a debit/credit/FSA/HSA card for send-out lab tests only. Self-pay is not available for rapid-result testing at this time. No screening required. The cost is $139, which includes $100 for the independent laboratory that processes your test and $39 for your MinuteClinic visit. Every individual who wants a test must make an appointment at MinuteClinic.com.	PCR
